Please remember that for ALL Masses, servers dress is black slacks and black dress shoes. We serve at the Altar of Christ and need to be aware of this as we dress appropriately.

If anyone would like to serve at the daily Masses on Tuesday, Thursday, or Friday, you are more than welcome, please let me know so that the sacristans can prepare appropriately for Mass as they set up.

I thank you all for the job you have done and for your service! There have been a few things for each that we do need to go over. This is an ongoing process. This is one of the reasons I ask you to be early instead of drawing everyone in on a Saturday AM. If there are things we need to cover as a group, I will schedule a Saturday session, but I would rather you come in early on a Sunday than to make an extra trip on Saturdays.
